 - b) Grant Updates
- 6) New Business
 - a) Fencing bid request
- 7) Other Comments
- 8) Adjournment - Next Meeting – Tuesday, July 8, 2025

Rogersville Parks and Recreation Board

Meeting Minutes

June 10, 2025

6:00pm

The meeting was called to order and all board members were present except for Todd Biggs and Brock Gladson. The minutes from the May meeting were approved and with no public comments, Director Elkins began with program updates. Elkins mentioned that this would be the last week of baseball and softball games. The weather this season has been extremely rough with many nights cancelled due to rain and storms. Elkins then mentioned the next youth athletic season coming up was flag football and cheerleading and registration for those programs would start in July. Elkins then listed the events and programs that were scheduled in June, July and August. MovingU fitness class is on Mondays, AquaFit at the pool on Tuesdays and Saturdays, Couch to 5K on Thursdays through June and Moonlight Swims every Friday. There will be a youth golf clinic on June 17, Painting in the Park on June 21, Movie Nights on June 28 and July 12. On the 4th of July there will be a 3v3 basketball tournament and the Firecracker Boom and Zoom 5K Road Race. Summer Camp is July 7-11 with Bingo scheduled for July 25. The Back-to-School Splash will be on August 2 and there will be a Kid's Fest event which is not a department sponsored event on August 16. Elkins then gave an update on grant projects saying the new playground was open and all that it lacked to close out that grant project was an ADA accessible pathway built which would be done later when other paving projects were addressed. Elkins stated that he hoped to be ready to bid the construction of the new concession stand and the new bathroom building in July. In new business, Elkins requested that the board approve to seek bids for new fencing to be installed around the new pickleball courts that were under construction. Initially it was thought that the existing fence could be saved but once crews started digging and preparing the site, it was found that keeping the existing fence, which is nearly 40 years old, was not a viable option. Trey made the motion to seek bids for new fencing with Sonda seconding the motion. All board members approved. With no other comments, the meeting was adjourned.
